

SCHOOL SYSTEM GOALS & OBJECTIVES

The RSU # 14 Board of Directors recognizes its responsibility to set goals for the efficient operation of the School District. In discharging this responsibility, the Board will strive to ensure that the resources of the unit are directed toward meeting the educational needs of each eligible student.

The Board will develop annual goals based on input from a variety of sources. At its annual goal workshop meeting, the Board will also review topics that have been raised by the public and not previously placed on an agenda and consider these topics as possible goals.

These goals will be shared with the community, the staff, and the students. The administration shall develop appropriate objectives designed to achieve the stated priorities.

The Board will regularly evaluate progress toward meeting the goals and will adopt appropriate policies designed to facilitate their accomplishment.
