

SCHOOL COMMITTEE REVIEW OF REGULATIONS

The School Committee reserves the right to review administrative rules at its discretion, but it will revise or veto such rules only when, in the School Committee's judgment, they are inconsistent with policies adopted by the School Committee.

Administrative rules need not be reviewed by the School Committee in advance of issuance except as required by state law or in cases when strong community attitudes, or possible student or staff reaction, make it necessary or advisable for the regulation to have the School Committee's advance approval.

Before issuance, regulations will be properly titled and coded as appropriate to subject and in conformance with the codification system selected by the School Committee.
