

EMERGENCY CLOSINGS

In the event of inclement weather or mechanical failures necessitating the cancellation of school sessions, the following procedures will be used:

- A. Radio – Beginning at 6:30 a.m. or as soon thereafter as possible, announcements will be made over WCSH, WGAN, WLOB, and WPOR. For afternoon sessions only, the announcements will begin not later than 11:00 a.m. over the same stations.

Cancellation of school sessions in the morning will always mean cancellation for the entire day, due to the difficulty of notifying pupils to attend an afternoon session only.

All students should be urged to listen for the fire whistles and/or radio announcements and not call principals or the Superintendent.

- B. Parents' Responsibility: In cases of bad weather, when schools are not closed, parents, especially of elementary school children, should feel free to use their own judgment as to whether to send their children to school.

Adopted: PRIOR to 1984
