

## **DROPOUT PREVENTION STUDENT WITHDRAWAL FROM SCHOOL**

The Windham School Committee believes that a high school diploma signifies the minimum preparation for success in life. Therefore, the Board strongly urges school administrators, staff, parents and members of the community to encourage students to remain in school through high school.

### **Dropout Prevention Committee**

In order to reduce the school dropout rate, the Superintendent shall establish a Dropout Prevention Committee to study the problem of dropouts, habitual truancy, and the need for alternative programs, Kindergarten to Grade 12. The Committee will meet twice a year, make recommendations for addressing the problem, and submit a plan of action to the Board.

The Committee will consider the following when developing its plan: reasons why students drop out of school; maintenance of continuing contacts with recent dropouts in order to extend opportunities for alternate educational programs, counseling, and referral; education of teachers and administrators about the dropout problem; use of human services programs to help dropouts; the Board's policies on suspension, expulsion, and other disciplinary action; and discriminatory practices and attitudes within the school district.

### **Committee Membership**

As required by law, the Dropout Prevention Committee shall be composed of the following members:

- A. A member of the School Committee selected by the School Committee;
- B. A school administrator selected by the Superintendent;
- C. A teacher and a school counselor selected by the teachers' organization;
- D. A parent selected by the local organized parent group or by the Board if no such group exists;
- E. A school attendance coordinator from the School Department selected by the Superintendent;
- F. A high school student selected by the Dropout Prevention Committee members selected in paragraphs A to E;

- G. A dropout selected by the Dropout Prevention Committee members selected in paragraphs A to E; and
- H. A community resident of Windham selected by the Dropout Prevention Committee members selected in paragraphs A to E.

The Windham School Committee recognizes the importance of success as a motivator and as a factor in a student's commitment to education. Students who have been identified as being at risk of dropping out will be encouraged to participate in the alternative educational programs that are offered in the district or in other instructional, vocational, or social service programs for which they may be eligible.

**Student Withdrawal from School**

School administrators will arrange for regular contacts to be made with students who have withdrawn from school for the purpose of informing them of the process for readmission, making them aware of alternatives in the community for continuing their education and stating the Windham School Department's willingness to assist them in their educational efforts.
