

SCHOOL CAMPUS TRAFFIC POLICY

No person shall at any time operate an all-terrain vehicle, dirt bike, snowmobile, or other recreational vehicles on any school grounds, except those sanctioned by the Windham School Department. Use of all motor vehicles shall be restricted only to paved areas, except as otherwise authorized by the Windham School Department. Only emergency vehicles and maintenance vehicles are allowed to travel on any non-paved area on school grounds.

The Windham Police Department is authorized to take enforcement action to persons violating any traffic law that occurs on any Windham School Department Property in violation of any law in M.R.S.A. Title 29-A. All traffic laws will be obeyed and may be enforced by any law enforcement officer. At the discretion of the law enforcement officer, a vehicle may be towed when the vehicle is found improperly parked in any unauthorized area.
