Inclement weather procedure:

Not often, but on occasion, children must be dismissed early from school by order of the Superintendent as a result of inclement weather or other emergency. We need to know what alternative dismissal arrangements you would like us to follow should early dismissal become a reality. We ask that you make arrangements and discuss them with your child. Safety is always our top priority.

In the event of early dismissal, I would like my child to:

- walk home as usual
- take the bus home as usual
- go to a friend/relative/neighbor who will contact me once they arrive
- go to a childcare provider as usual.

Please list the person's house and bus number where the child is going:

Please give any other details:

Teacher's Name: _____ Grade: _____

Student's Name (sign): _____

Student's Name (print): _____

Parent/Guardian (sign): _____

Parent/Guardian (print): _____

E-mail address: _____

Date: _____

These agreements will remain in effect for the 2017-2018 school year only, unless it is rescinded in writing by either party. This statement will be kept on file in the student's accumulative folder. If no checkmark appears or if the form is not returned, it will be assumed that the Parent/Guardian is answering **NO**, they are not in agreement.
