

# Social Skills Curriculum

The Maine Learning Results' Guiding Principles focus our social / work skills curriculum.

## A Responsible and Involved Citizen

*Respects ideas, feelings, and property of others*

*Displays self-control*

*Accepts responsibility for own behavior*

*Follows school rules*

## A Self Directed and Life-Long Learner

*Takes risks and accepts challenges in learning*

*Uses time wisely*

*Completes homework on time*

*Completes classwork on time*

## A Creative and Practical Problem Solver

*Uses and explains a variety of strategies when solving problems*

*Asks for help when needed*

*Assesses work and makes changes*

*Shows initiative beyond assigned tasks*

## A Clear and Effective Communicator

*Uses a variety of ways to express ideas clearly*

*Listens and follows verbal directions*

*Follows written directions*

## A Collaborative and Quality Worker

*Works neatly*

*Applies organizational skills*

*Works cooperatively*

*Participates in class discussions and activities*

## Integrative and Informed Thinker

*Relates thinking to other situations*

*Applies knowledge and skills across content areas*
